Highfield Level 2 Award for Working as a CCTV Operator (Public Space Surveillance)

within the Private Security Industry

QUALIFICATION NUMBER: 601/4961/9

WHO REQUIRES THIS QUALIFICATION? Any business that uses CCTV to monitor a public space or members of the public will need trained security staff qualified as a CCTV operator and who hold a SIA licence.

A level 2 award for working as a CCTV operator within the private security industry qualification is required by law for an individual to apply for a SIA licence to work as a CCTV operator.

WHY A HIGHFIELD QUALIFICATION? Highfield is the leading provider of regulated compliance qualifications in the UK, certificating over 350,000 learners a year, and qualifies more CCTV operators each year than any other awarding organisation. We're extremely proud to be a Highfield-approved centre and offer industry recognised qualifications that will enhance learners' career prospects.

WHAT DOES THE QUALIFICATION COVER?

Topics include:

- The main characteristics of the private security industry
- Understanding key legislation relevant to the CCTV operator
- The correct operations of CCTV equipment
- Emergency procedures in the CCTV control room
- Production and storage of evidence
- Code of practice and guidelines used by the CCTV operator
